

Older Adult Ministries, Committee On

The Committee seeks to be a focal point for connecting with, building, and resourcing older adult ministries in the local church and Annual Conference. We work to raise awareness of the issues touching the lives of our older adults, and to be in ministry to, with and by older adults. The Committee has promoted the following services and programs:

- *A Conference Older Adult Web Page which offers ideas, news, and networking resources for Older Adult Ministries.

- *Introducing and promoting the SEJ Older Adult Conference at Lake Junaluska.

- *Partnering with other Conference groups and agencies to sponsor a “Day Apart” for Older Adults.

- *Provided a display table at Annual Conference.

We are committed to praying for and connecting with our Senior Adults as together we recognize that God has called us in Christ to be a source of inspiration, transformation, and invitation.

Michael A. Davis, Chairperson
